## 5G Applications in Northeast

### 5G Applications in Northeast

STAFF REPORTER

GUWAHATI, Sept 28: Union Minister of Development of North Eastern Region (DoNER), G Kishan Reddy will virtually inaugurate 5G Applications in the seven Northeast region (NER) States (other than Arunachal Pradesh) and a 5G Experience Centre at Tech City, Bongora, here on September 29.

“This project is being executed by AMTRON in collaboration with various Government Agencies like Ministry of DoNER, Department of Telecommunications, Telecom Sector Skill Council, School of Planning and Architecture, New Delhi, Vardhaman Mahavir Medical College and Safdarjung Hospital, New Delhi, Design Innovation Center, University Institute Of Engineering and Technology, Panjab University, etc.” a statement said.

The NEC funded project of 5G applications in NER with hub at AMTRON, Guwahati has been established at a cost of Rs 14.96 Crore, the statement added.

DoNER minister to virtually launch 5G applications in NE

डोनर मंत्री आज करेंगे 5  
जी अनुभव केंद्र का उद्घाटन  
गुवाहाटी, 28 सितंबर (ख.सं.)। केंद्रीय  
पूर्वोत्तर क्षेत्र विकास मंत्री (डोनर) जी.  
किशन रेड्डी कल 7 पूर्वोत्तर राज्यों  
(अरुणाचल प्रदेश के अलावा) में 5जी  
एप्लीकेशन और बोंगोरा स्थित टेक सिटी  
में 5जी एक्सपीरियंस सेंटर का वर्चुअल  
उद्घाटन करेंगे। यह उद्घाटन पूर्वोत्तर परिषद  
(एनईसी) की स्वर्ण जयंती के दौरान  
प्रधानमंत्री नरेंद्र मोदी द्वारा निर्धारित दृष्टिकोण  
की निरंतरता में है। प्रधानमंत्री ने पिछले  
वर्ष 18 दिसंबर को आयोजित एनईसी के  
स्वर्ण जयंती समारोह में अपने संबोधन के  
दौरान अष्टलक्ष्मी का लाभ उठाने पर जोर  
दिया था। मालूम हो कि यह 5जी लैब्स के  
माध्यम से स्थानीय मानव संसाधन क्षमता  
निर्माण में मदद करेगा।

DoNER minister to virtually launch 5G applications in NE

## DoNER minister to virtually launch 5G applications in NE

**GUWAHATI, SEPTEMBER 28/--/** Union minister of Development of North Eastern Region (DoNER), G. Kishan Reddy will virtually launch 5G applications in the Northeast (excluding Arunachal Pradesh) and inaugurate a 5G experience centre at Tech City, Bongora, near here on Friday with objective to boost communication in the region.

The inauguration is in sync with the vision set by Prime Minister Narendra Modi during the golden jubilee celebration of North Eastern Council (NEC), according to a government Press release. The Prime Minister, during his address at the golden jubilee celebrations of NEC on December 18, 2022, emphasised on development of the Northeast region and the need to work on the "eight foundation pillars" for accelerating progress in the region. One of the major pillars emphasised was 5G connectivity for job creation, attaining other socio-economic developmental goals and meeting the SDG (Sustainable Development Goals) 2030 targets in the North East Region. Official sources said that the 5G project is being executed by AMTRON in collaboration with various government agencies such as the Ministry of DoNER; department of telecommunications; Telecom Sector Skill Council; School of Planning and Architecture, New Delhi; Vardhman Mahavir Medical College and Safdarjung Hospital, New Delhi; Design Innovation Centre, UIET, Punjab University and ALIMCO. Notably, the NEC-funded project of 5G applications in the Northeast Region, with its hub at AMTRON, Guwahati, has been established at a cost of Rs 14.96 crore. Apart from contributing to human resource capacity building through 5G labs, the project will showcase on a pilot scale thematic use cases in healthcare, improved access to digital educational content, bamboo and cane artisans and crafts persons and agriculture use cases.
